Mucosal microbial parasite-microbiota interplay and its role in disease

Prof. Robert Hirt

*Faculty of Medical Sciences
Newcastle University UK*

Our Program

Part 1: Microsporidia-epithelial cell interactions: what role for bacterial secondary metabolites?

Part 2: Trichomonas-Microbiota interactions: a One Health and evolutionary perspective

Martedì 5 maggio 2026 - ore 15,30

**Aula A Complesso Biomedico
Viale san Pietro 43/B**
